Dear Larry and Canine Safety Systems,

Just a note to let you know how much we appreciate the job you have done for us all these years. With 10 acres to enclose for our 3 Labrador Retrievers we needed to be certain the system installed would be very secure. We were so pleased with the results! We have always had GREAT service every time we needed it from you. It was always delivered with such a pleasant and professional manner. Thank you again for your service all these years!

Sincerely,

Thomas Oliver DVM
